

**Aquarian Trainer Academy
European Trainer Forum 2018**

Topic of Discussion: How can we deal with situations that go against Code of Ethics in the Aquarian Age?

Write down ideas that your group comes up with during the discussion:

1. Group or person of trust (a senior with good experience) who could be reached locally. Speaks the local language + English if needed, this person gives it to the Ethics office EPS
2. Local sangat + teacher training meeting reflecting on the code of excellence
3. Act immediately graduated responses - advert personally, 2 chances and go public

Are there any questions that need clarification about your topic?

Who decides what is a big or a little problem?

Should it be a group of people who decides this?

Please Summarize the highlights, key points and any specific recommendations from your group discussion:

If you see something wrong, first thing is go directly to the person
