

21 Stages Trainer Certification/Qualification Policy

How to qualify as a 21 Stages Trainer

DEFINITION OF 21 STAGES TRAINERS

■ **21 Stages Lead Trainer**

- Only qualified 21 Stages Lead Trainers may contract with KRI for 21 Stages courses.
- 21 Stages Lead Trainers may teach up to 100% of the course by themselves, or they can include a team of qualified Lead and Professional 21 Stages Trainers.

■ **21 Stages Professional Trainer**

- Qualified 21 Stages Professional Trainers may be part of a 21 Stages teaching team and may teach up to 50% of the course.

QUALIFICATION PROCESS FOR 21 STAGES TRAINERS

■ **21 Stages Lead Trainer** Qualification Process

- If your current status is **Level Two Lead Trainer**.
 - Automatically qualified as a 21 Stages Lead Trainer.
 - Recommended, but not required, to take the full six day course as a student and reading the Trainer Orientation Packet.
 - No application required
- If your current status is **Level One Lead Trainer**.

To certify as a 21 Stages Lead Trainer you must:

 - Be currently KRI licensed as a Level One Lead Trainer
 - Participate in and complete all 6 days of 21 Stages
 - Complete the 21 Stages Trainer Orientation by reading the Trainer Orientation Packet
 - Complete the 21 Stages Trainer application to become a 21 Stages Lead and submit to KRI for approval

■ **21 Stages Professional Trainer** Qualification Process

- If your current status is **Level One Professional Trainer**.

To certify as a 21 Stages Professional Trainer you must:

 - Be currently KRI licensed as a Level One Professional Trainer
 - Participate in and complete all 6 days of 21 Stages
 - Complete the 21 Stages Trainer Orientation by reading the Trainer Orientation Packet
 - Complete the 21 Stages Trainer application to become a 21 Stages Professional and submit to KRI for approval
- When a Level One Professional Trainer, who has been approved as a 21 Stages Professional Trainer, is approved as a Level One Lead Trainer, that trainer is automatically approved as a 21 Stages Lead Trainer as well.
