### Part 2: Text Guidelines

#### Text Guidelines

1. Refer to Level 2 or Level Two (do not use Roman numerals such as Level II)
2. The terms “Senior” or “Master” are not appropriate references when describing individual trainers or training teams – the correct reference is their standing in the Academy. Use descriptive language in their bio to convey their credentials.
3. Avoid misleading or unsubstantiated claims or guarantees, such as:
  - “You will master Kundalini Yoga”
  - “You will become a Kundalini Yoga Master”
  - “We guarantee (or promise) you will be totally transformed.”
  - “You will achieve enlightenment”
4. Instead, use of student testimonials is a great way to convey the impact this course has on peoples’ lives.
