*Knowledge & Skills Enhancement for Teachers*

We warmly invite you to participate in the Aquarian Development Series/ Professional Development for Teacher Trainers! KRI is offering online and in person courses with **special pricing for Academy members**. All courses will be discounted (40-50% discount) for Teacher Trainers as well as **complementary courses** to support your professional development. **Think back on your Academy journey:** What do you wish you had known as an Intern that would have helped your teaching and added depth to your impact? How can you support Interns and Associates around the globe by opening up your bag of pearls and sharing your wisdom and teaching tips? We welcome your participation. We are all in this together; through collaboration and communication let's help people become better Kundalini Yoga Teachers and Trainers.
