

21 Stages Trainer Qualifications for Associates Version 2

History or Background Information:

. KRI lead trainers can contract a 21 Stages program. They are responsible for the quality and delivery of the program. Qualified Professionals can be on the team and can teach up to 50% of the program. This remains the same with this proposal.

The current guidelines for a Professional Trainer to qualify s a 21 Stages Professional trainer:
Be Current in your KRI license as a Level One Professional Trainer

- Participate in and complete all 6 days of 21 Stages before applying to train in 21 Stages
- Complete the 21 Stages Trainer Orientation by reading the Trainer Orientation Packet
- Complete the 21 Stages Trainer application to become a 21 Stages Professional and submit to KRI for approval
- When approved by KRI the trainer can teach up to 50% of the course, as determined by the Lead Trainers

New Proposed Policy:

To certify as a 21 Stages Associate Trainer you must:

- Be current in their KRI license as a Level One Associate Trainer
- Qualified for Unit 2 (Mind & Meditation) on the Units of Study - Content Credit Form. - Participated in and completed the Level 2 Mind & Meditation module
- Participated in and completed all 6 days of 21 Stages
- Complete the 21 Stages Trainer Orientation by reading the Trainer Orientation Packet
- Complete the 21 Stages Trainer application to become a 21 Stages Trainer and submit to KRI for approval
- Be recommended by their Mentor, or 2 Leads, or 3 Professionals that have previously worked with the candidate. This recommendation is based on their readiness to teach in 21 Stages.
- Complete the KRI application process for approval.
- Once approved by KRI, can teach up to 25% of the course, as determined by the Lead Trainers
